

SR-6 OA High Adventure Scholarship Application

The purpose of this scholarship is to provide scholarships for youth members from the Southern Region Section 6 to attend any of the OA National High Adventure programs. Funds may also be applied against the cost of transporting the youth to the event.

Scholarship forms will be reviewed by the High Adventure Scholarship committee along with the current Section Adviser to determine if the request has been approved and the amount of scholarship provided.

*****You must meet the health requirements of the high adventure base that you are requesting to attend. This scholarship does not override any of the requirements to attend a high adventure base.*****

*****You must register with the National OA High Adventure site and be accepted to the OA High Adventure Program of your choice.*****

This scholarship is not meant to financially cover 100% of your expenses to participate in the OA High Adventure Program, but is intended to help reduce the cost of attending one of the OA High Adventure Programs (for example but not limited to: an OA designated program like OA Trail Crew at Philmont Scout Reservation).

Please complete all sections (A, B, C, and D) of this form and provide to the Lodge Adviser either in person, e-mail, or mail.

A) Personal Information

NAME:	PHONE:	TROOP:
