Words From the Vice Chief

Sean McCullough

YOGOWYPI

Last newsletter, I mentioned a phrase by the name of YOGOWYPI. You probably asked yourself, "What on earth does YOGOWYPI mean?" Well, let me tell you. YOGOWYPI is a philosophy of life. It means "You Only Get Out What You Put In." Meaning that we will only

be able to get out of anything, including life, whatever we put into it. This is something I try to abide by on

a regular basis and something I hope that you all will be able to take on and be able to incorporate into your lives. It's also something that I believe we should try to incorporate into this year's Conclave. We all will only be able to get out of Conclave whatever we put into it. Therefore, I hope that you all will be able to put everything you can into your experience at Conclave so that you can get the most out of it. I hope you all have a phenomenal week! Can't wait to see you all at Conclave!

National Conservation & Leadership Summit

In the summer of 2007, over 2,000 Arrowmen from every Lodge will join together for the first ever National Conservation and Leadership Summit (NCLS). The NCLS will be the first summit-type event held since the National Leadership Summit of 1999 at Colorado State University. July 28 through August 1, 2007 are the dates for this marquee event; the NCLS will be held on the campus of the Order's favorite campus, Indiana University in Bloomington, Indiana.

The summit has been designed for the Key 3 of each Lodge with two other Lodge representatives (and two other Lodge leaders), as well as those that are interested in serving in staff roles at the *ArrowCorps5* project that will take place in 2008. At the NCLS, the third strategic plan (2008–2012): *Living the Legacy*—which has been designed

by the national Order of the Arrow committee—will be unveiled to those in attendance.

During the course of this event Lodge leaders will have the opportunity to participate in workshops that will coach Lodges in implementing the strategic plan. The strategic plan has been designed to assist Lodges in creating a more powerful link between the

local council and Lodge. Much of the ideology revolving the new strategic plan will build on the predecessor plan, 2003–2007: *A Legacy of Servant Leadership*.

All Lodge Key 3 members should plan on attending as the summit will lay the foundation for the next four years of the Order of the Arrow. Not only will there be plenty of information available but it will also provide a forum for Lodges to exchange ideas throughout the event.

LEADERSHIP

Summit Leadership Elected

Each December all the Section Chiefs are invited to attend a National Planning Meeting held near Dallas, Texas. During this event they elect the national officers for the coming year and plan for the upcoming program of emphasis. The National Order of the Arrow Committee also meets during this time.

From December 27 to 30, 2006, the chiefs met, elected the 2006 national officers and began detailed planning for the OA programs for 2007. Our very own Roderick McDaniel has been elected Summit Vice Chief (SVC) of Communications. The following leaders, along with the National Chief, National Vice Chief and the Region Chiefs will provide the leadership for the National

Conservation and Leadership Summit at Indiana State University July 28– August 1, 2007.

National Chief—Evan Chaffee

National Vice Chief—Larry Newton, SR-4N

Southern Region Chief— Alex Gomez, SR-4S

Brotherhood – Christopher Bergtholdt, SR-7A

Chiefs Corps – Ryan Spencer, SR-2

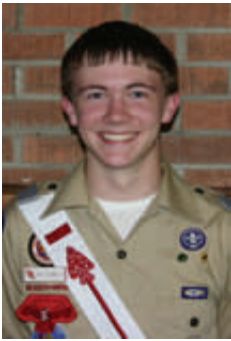

Communications – Roderick McDaniel, SR-6N

National Events Promotion – Thomas Lambert, SR-1

Names in **bold** indicate an SVC from the Southern Region. The Southern Region is very well represented, and we would like to wish all of this years Summit Vice Chiefs the best of luck!

From the desk of the Secretary

Don Combs

Brothers,

I'm glad to see how the year has progressed and how well all of us have worked together so far to get ready for Conclave 2007.

The Conclave will soon be here, and I know everyone is excited. I

can tell you this; with the hard work Pellissippi is putting in and the hard work I have seen by everyone involved, this will be one of the best Conclaves that SR-6N has ever had.

I am also looking for anyone who wants to be on my staff at the Conclave. We will be putting together the newsletters that are published on site.

So, let's finish out this year as well as we started, and get ready for one of the best Conclaves that has ever been held!

Section SR-6N Secretary,
Don Combs
